A reminder to riders to please pay Peggy for entries. We look forward to hearing the results soon.

Coffee morning

We will be unable to run in it's usual format so this is our idea - we hope that you all can support us in the usual way.

Our idea is to have coffee and cakes served at the Brook the week of the 5th - 10th July 10- 2pm Monday Wednesday Thursday Saturday (10-12). We will run our usual raffle and would like all members to supply cakes buns and biscuits for sale home made or otherwise!

It will be an opportunity to come and meet other riders and supporters etc. We will need people to help with coffees and meet and greet please.

SEIB Awards

We haven't yet heard about outcomes of SEIB RDA group of the year. However it is looking promising as we have been invited to the presentation which has sadly been moved from next week until 8th September so let's keep our fingers crossed.
